

# VELODYNE:

## DEQ-R SERIES

The DEQ-R Series subwoofers are the ideal combination of technology and an intuitive user interface, and they offer incredible value. Quickly and easily add a powerful, feature-rich subwoofer to your entertainment system. Use the included remote control to maximize the bass in your room from any source, while a clearly visible front LED display instantly confirms your choice. The DEQ-R subwoofers deliver great bass...made easy.
